You will discover a ladies retreat to be a highlight of your year...

Come, bring a women's group here from your church or from several churches, and let us serve you! We offer comfortable beds in both dormitory style sleeping as well as the Lonesome Dove Boardin' House which allows you to sleep in Hotel rooms, most with private baths.

Reasons that you might want to get away with a group of women are:

- you want to study a specific Bible Study for a weekend
- you want to gather as a group of friends that just wants to get away and reunite without any other distractions
- you want a time to join with a group that has the same struggles that they are dealing with

What you can expect when you come to Shepherd's Staff for a weekend:

- you can plan on wonderful home cooked meals and clean up, all done by our amazing chefs and dedicated staff (we cater to those with gluten free diets, etc.)
- if you have a specific theme that you would like us to reflect on, we would be happy to do it!
- you can know that you are always being taken care of by being able to call us anytime during the weekend if you have a question or a specific need
- you can ask us to lead a Bible Study or singing for you if you don't feel comfortable leading it—give us the topic and we will accommodate you
- if you would like to have a bonfire one evening, we would love to provide that for you under the stars! You can have your meal of hot dogs out there, or just s'mores for a late night snack
- we will provide you with snacks if you wish...we even provide delicacies like a chocolate fountain with all the fixin's
- we are a Retreat Center that is not close to any town, which makes it a very quiet place to be with no distractions
- we are ready to serve you as Christ serves His church
